Again this year, the studio will be giving our parents a choice with how they can receive their tickets for the recital. In past years, the studio has solely offered a ticket lottery, which seemed to work for most but not for all. So that the studio is no longer responsible for solely holding a ticket lottery and seat location, we now are offering parents the option to come to a ticket day.

We will be holding ticket day on Sunday April 29th. Anyone wanting to attend ticket day will have the option to stand in line and pick the tickets that they want for the recital. We do understand that not everyone would be interested in this, so, we are also going to hold a ticket lottery. Anyone who does not want to come to ticket day will have the option to fill out a ticket order form. Once the ticket day is over the staff will hold a lottery with any forms that had been filled out during the weeks prior.

This year we will also be limiting the number of tickets that each family may purchase for the 1:00 and 5:00 Shows. Each family will be able to purchase 10 tickets for their child's show. We do understand that some families would like to purchase more than this for each show, so we will have a separate order form for anyone who is requesting extra tickets for these shows. These forms will be put into a lottery once every family has received tickets.

More detailed information will be in your March recital packet. We hope that by offering more than one way to get your tickets we will be able to please the majority of our customers. We appreciate your patronage and want to make things as easy as possible for as many as possible. Thank You.
